

# It's as Easy as 1, 2, Text.

If you plan events, send shout outs, and stay connected to your social circle through the art of texting, then an old school keypad just isn't enough. But with this handy four-line QWERTY keyboard, texts will appear on-screen before you even realize you've written them. Plus, with mobile web and smooth, streamlined Facebook® updates, you'll always be in the social spotlight.

With friends like yours, you never know what's just around the corner. And for those epic moments that seem to occur on a regular basis, the built-in camera will document each outrageous memory, big enough to display on a computer desktop, or post on every wall. Go on, entertain yourself!

**Thumbs, Thumbs Everywhere!** Keep everyone in the loop with lightening fast texting on the simple four-line QWERTY keyboard.

**Forever Connected** Never miss a single social moment, because with mobile web and instant social network updates, friends are a few keystrokes away.

**Rest Your Voice** Save your voice for cheering at Friday's football game. Text and picture messaging lets you say all the things you need without straining your vocal chords.

**Camera Ready** For all the crazy, unimaginable moments in life, with Cosmos 3's camera in the palm of your hand, you can capture every moment and save those stories to share later.

**Musical Moments** Life without music is like a day without sunshine, but with MP3s streaming out of Cosmos 3, your world is bright all day, every day.
